2nd Annual New Life Agenda Celebration

The Consortium on Criminal Justice Reform proudly presents the **2nd Annual New Life Agenda Celebration**, an inspiring gathering dedicated to honoring the legacy, leadership, and transformative vision that continue to shape the Exodus Concept and the broader movement for justice, redemption, and social renewal.

This annual celebration stands as a testament to the enduring power of faith, community, and collective action. It recognizes individuals whose unwavering commitment has opened courageous pathways for those impacted by the criminal justice system—guiding them from incarceration to reintegration, from despair to purpose, and from limitation to possibility.

We pay special tribute to trailblazers such as **Rev. Edwin M. Muller** and **Dr. Lonnie McLeod**, whose groundbreaking work laid the foundation for what would become a national model for restorative justice, human development, and spiritual transformation. Their legacy lives on in the countless lives changed, the communities strengthened, and the hope rekindled through the Exodus movement and its affiliated initiatives.

As we celebrate this year, we will also recognize contemporary leaders—advocates, scholars, practitioners, and community champions—who continue to push forward meaningful criminal justice reform. Through their advocacy, mentorship, innovation, and lived experience, they carry the torch of liberation and renewal, ensuring that second chances are not merely offered but empowered.

The **2nd Annual New Life Agenda Celebration** is more than an event—it is a reaffirmation of our shared commitment to humanity, dignity, and the promise of transformation for all.

Join us as we honor the past, celebrate the present, and shape a new future grounded in justice, compassion, and hope.
